

INA128U

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	ina128u
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	50 V
Frequency	1.3
Component Specifications	ina128u
Signal Level	50 V

Description

IC: wzmacniacz pomiarowy; 1,3MHz; Ch: 1; S08; 1V/V,10kV/V; 0,025mV
