

LM4040A20IDBZT

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	lm4040a20idbzt
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

IC: źródło napięcia odniesienia; 2,048V; $\pm 0,1\%$; SOT23; 15mA
