

OPA2227UA

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	opa2227ua
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

IC: wzmacniacz operacyjny; 8MHz; Ch: 2; S08; $\pm 2,25 \div 18VDC, 4,5 \div 36VDC$
