

OPA227P

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	opa227p
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	2.3 V
Frequency	8
Component Specifications	opa227p
Temperature	-40 °C
Signal Level	2.3 V

Description

IC: wzmacniacz operacyjny; 8MHz; Ch: 1; DIP8; $\pm 2,5\div 18\text{VDC}$, $5\div 36\text{VDC}$
