

OPA251UA

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	opa251ua
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	0.01 V
Frequency	35
Temperature	-40 °C
Signal Level	0.01 V

Description

IC: wzmacniacz operacyjny; 35kHz; Ch: 1; S08; IB: 25nA; Iio: 2nA
