

OPA4228PA

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	opa4228pa
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	1.36 kgs
Voltage	2.5 V
Frequency	33
Signal Level	11 V

Description

IC: wzmacniacz operacyjny; 33MHz; Ch: 4; DIP14; tuba; IB: 10nA
