

SN65HVD1050DR

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	sn65hvd1050dr
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	4.5 V
Temperature	-40 °C
Interface Type	can
Signal Level	4.5 V

Description

IC: interfejs; transceiver; 1Mbps; 4,5÷5,5VDC; S08; -40÷125°C
