

SN65HVD1781DR

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	sn65hvd1781dr
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
---------------	----------

Description

IC: interfejs; transceiver; half duplex,RS422,RS485; 1Mbps; S08
