

SN7406N

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	sn7406n
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.01 kgs
Voltage	5.3 V
Component Specifications	sn7406n
Signal Level	5.25 V

Description

IC: cyfrowy; NOT; Ch: 6; THT; DIP14
