

SN74HC541N

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	sn74hc541n
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.02 kgs
Voltage	2 - 6 V
Signal Type	6
Signal Level	6 V
Relay Specifications	6 VAC

Description

IC: cyfrowy; bufor, nieodwracający, sterownik linii; Ch: 8; THT
