

SN74LS245N

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	sn74ls245n
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.04 kgs
---------------	----------

Description

IC: cyfrowy; bus transceiver; Ch: 8; THT; DIP20; OUT: 3-stanowe; 74LS
