

TL431AIDBZR

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	tl431aidbZR
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	2495 V
Concentration	92
Accuracy	1
Signal Level	2495 V

Description

IC: źródło napięcia odniesienia; 2,495V; ±1%; SOT23; rolka, taśma
