

TL431CD

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	tl431cd
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Chemical Composition	VV: 2.2 %
Signal Level	2495 V

Description

IC: źródło napięcia odniesienia; 2,495V; ±2%; S08; tuba; 100mA
