

TLC2262ID

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	tlc2262id
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

IC: wzmacniacz operacyjny; 730kHz; Ch: 2; S08; $\pm 2,2 \div 8VDC, 4,4 \div 16VDC$
