

TPS563209DDCT

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	tps563209ddct
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

IC: PMIC; przetwornica DC/DC; Uwej: 4,5÷17VDC; Uwyj: 0,76÷7VDC; 3A
