

UA78L10ACL

Industrial automation components

Manufacturer	Texas Instruments
Catalog number	ua78l10aclp
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	10 V
Signal Level	10 V

Description

IC: stabilizator napięcia; liniowy, nieregulowany; 10V; 0,1A; T092
