

TBEN-L5-PLC-10

Industrial automation components

Manufacturer	Turck
Catalog number	tben-l5-plc-10
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Safety Level	plc
Interface Type	profinet
Industrial Safety	plc

Description

The TBEN-L5-PLC-10 module from Turck is an innovative solution featuring a profinet interface, designed with industrial safety at the PLC level in mind. It offers advanced functionalities that support integration in complex automation systems while ensuring high reliability and operational efficiency.
