Manufacturer	Wago
Catalog number	257-457
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	WAGO
Part Number	257-457
Product Type	PCB Terminal Block
Number of Poles	7
Actuation Type	Push-Button
Connection Technology	CAGE CLAMP®
Max Conductor Cross-Section	2.5 mm²
Pin Spacing	5/5.08 mm
Housing Color	Gray

Description

The WAGO 257-457 is a 7-pole PCB terminal block designed for efficient and reliable electrical connections. Featuring a push-button actuation mechanism, it allows for tool-free operation, simplifying in-field wiring tasks.

The terminal block utilizes WAGO's CAGE CLAMP® technology, ensuring secure and vibration-resistant connections. It accommodates conductor cross-sections up to 2.5 mm² and offers a pin spacing of 5/5.08 mm, making it suitable for various PCB applications.

The housing is gray, providing a neutral aesthetic that blends seamlessly with most designs. This terminal block is ideal for applications requiring quick and secure connections without the need for specialized tools.
