Manufacturer	Wago
Catalog number	261-108
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Manufacturer	WAGO
Part Number	261-108
Product Type	2-conductor terminal strip
Connection Technology	CAGE CLAMP®
Wire Size Range	0.08 to 2.5 mm² (14 to 28 AWG)
Rated Current	24 A
Nominal Voltage	500 V
Mounting Hole Diameter	3.2 mm
Szerokość	62.1 mm
Wysokość	18.1 mm
Głębokość	28.1 mm

Description

The WAGO 261-108 is a gray, 2-conductor terminal strip designed for efficient and secure electrical connections in industrial automation applications. This 8-pole terminal block features a CAGE CLAMP® connection technology, accommodating wire sizes from 0.08 to 2.5 mm² (14 to 28 AWG).

It supports a rated current of 24 A and a nominal voltage of 500 V, ensuring reliable performance in demanding environments. The terminal strip is equipped with fixing flanges and mounting holes measuring 3.2 mm in diameter, facilitating versatile installation options.

Its compact dimensions—62.1 mm in width, 18.1 mm in height, and 28.1 mm in depth—make it suitable for applications with limited space. The WAGO 261-108 terminal strip is ideal for applications requiring secure and efficient electrical connections, such as control panels, machinery, and other industrial automation systems.
