Ask about this product

Manufacturer	Wago
Catalog number	261-424
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Manufacturer	WAGO
Part Number	261-424
Wire Gauge Range (mm²)	0.08 to 2.5 mm²
Wire Gauge Range (AWG)	14 to 28 AWG
Voltage Rating (V)	500 V
Current Rating (A)	24 A
Housing Material	Polyamide (PA66)
Housing Color	Gray
Length	28.09 mm
Szerokość	37.0 mm
Wysokość	18.11 mm

Description

The WAGO 261-424 is a 2-conductor terminal strip designed for efficient and secure electrical connections in industrial automation applications. This 4-position terminal block features a push-in spring termination style, accommodating wire gauges from 0.08 to 2.5 mm² (14 to 28 AWG).

It operates at a rated voltage of 500 V and a current of 24 A, ensuring reliable performance in demanding environments. The terminal block is constructed with a gray polyamide (PA66) housing, offering durability and resistance to harsh conditions.

Its compact dimensions—28.09 mm in length, 37.0 mm in width, and 18.11 mm in height—make it suitable for installations with limited space. The WAGO 261-424 is RoHS3 compliant, reflecting its adherence to environmental standards.

This terminal block is ideal for applications requiring secure and efficient electrical connections, such as control panels, machinery, and other industrial automation systems.
