Manufacturer	Wago
Catalog number	750-653003-000
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	RS-485 Serial Interface Module
Brand	WAGO
Part Number	750-653/003-000
Typ montażu	DIN Rail
Operating Temperature Range	0°C to 55°C
Ingress Protection Rating	IP20
Dimensions	12 x 100 x 69.8 mm

Description

The WAGO 750-653/003-000 is an RS-485 serial interface module designed for seamless integration into WAGO's 750/753 I/O systems. This module facilitates reliable communication in industrial automation applications, offering adjustable settings to meet specific system requirements.

It is engineered for DIN-rail mounting, ensuring a secure and organized installation within control cabinets. The module operates within a temperature range of 0°C to 55°C, making it suitable for various industrial environments.

With an ingress protection rating of IP20, it provides adequate protection against solid objects larger than 12 mm, ensuring durability and longevity in demanding conditions. The 750-653/003-000 is compatible with WAGO's 750 series, allowing for flexible and scalable automation solutions.

Its compact dimensions of 12 x 100 x 69.8 mm enable efficient use of space in control panels. This module is ideal for applications requiring robust and adjustable RS-485 communication interfaces, such as data acquisition systems, remote monitoring, and control processes in industrial settings.
