Manufacturer	Wago
Catalog number	789-913
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Interface Module
Dimensions	35 mm x 90 mm x 55 mm
Typ montażu	DIN-35 Rail
Operating Temperature Range	0°C to +50°C
Storage Temperature Range	-25°C to +85°C

Description

The WAGO 789-913 is a specialty electronic module designed to interface between standard RS-232 signals and SMI LoVo-compliant electrical drives. This module enables seamless communication between applications and SMI LoVo drives, supporting up to 16 drives per module.

It operates with an external 24 VDC power supply, with RS-232 and 24 V power supply electrically isolated from the SMI LoVo connections. The module is DIN-rail mountable and features a compact design suitable for various industrial automation applications.
