

007-1AB00

Industrial automation components

Manufacturer	Yaskawa
Catalog number	007-1ab00
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	24 V
Current	10 A
Component Specifications	pm007
Product Type	Module
Signal Type	24
Signal Level	24 V

Description

PM 007 - Power module Output supply. Power supply DC 24 V. 10 A. Reverse polarity protection. Overvoltage protection
