

007-1AB10

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Yaskawa |
| Catalog number | 007-1ab10 |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|-----------------------------|----------|
| Weight | 0.04 kgs |
| Voltage | 24 V |
| Signal Type | 24 |
| Signal Level | 24 V |
| Relay Specifications | 2 A |
| Current | 2 A |
| Temperature | -25 °C |
| Product Type | Module |

Description

PM 007 - Power module Output supply. Power supply DC 24 V, 4 A. Power supply DC 24 V for bus supply 5 V, 2 A. Reverse polarity protection. Overvoltage protection. Module supply
