

040-1BA00

Industrial automation components

Manufacturer	Yaskawa
Catalog number	040-1ba00
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Component Specifications	rs232
Interface Type	rs232

Description

CP 040 - Communication processor RS232 interface. Protocols ASCII, STX/ETX, 3964(R) and Modbus RTU (master, slave)
