

322-1BH41

Industrial automation components

Manufacturer	Yaskawa
Catalog number	322-1bh41
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.18 kgs
Voltage	24 V
Product Type	Module
Signal Type	24
Signal Level	24 V
Channel Configuration	16

Description

SM 322 - Digital output 16x D0, in groups of 8. DC 24 V. 2 A. For 20 pole front connector
