

341-1AH01

Industrial automation components

Manufacturer	Yaskawa
Catalog number	341-1ah01
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.17 kgs
Interface Type	rs232
Manufacturer	Siemens
Component Specifications	rs232

Description

CP 341 - Communication processor RS232. Isolated. Function compatibility to Siemens CP 341. Parameterization via the Siemens parameterization package. Data transfer rate up to 76.8 Kbit/s. Power supply via backplane bus
