

353-1DP01

Industrial automation components

Manufacturer	Yaskawa
Catalog number	353-1dp01
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	24 V
Interface Type	profibus
Product Type	Module
Signal Type	24
Signal Level	24 V

Description

IM 353DP - PROFIBUS-DP slave DC 24 V. 12 Mbit/s. Up to 29 peripheral modules (16 analog). 244 Byte input- und 244 Byte outputdata. Integrated DC 24 V power supply. Configuration via GSD-file of VIPA
