

972-0DP30

Industrial automation components

Manufacturer	Yaskawa
Catalog number	972-0dp30
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

EasyConn 0° - PROFIBUS plug. Features: Clock rate up to 12 Mbit/s Metal case Switchable terminating resistor 0° outgoing cable Bus diagnosis via LEDs Packaging unit: 1 piece
