

B84143B1600S080

Industrial automation components

Manufacturer	Yaskawa
Catalog number	b84143b1600s080
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

External EMC Line-Filter for U1000 CIMR-UC4A0720 to 0930. EN61800-3 Class C2, 1600 Amp
