

FESS-B016A

Industrial automation components

Manufacturer	Yaskawa
Catalog number	fess-b016a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Noise Filter for Sigma-5 1ph for SGDV-120A Type 230V Servo Amplifier. Noise Filter for Sigma-7 1ph for SGD7S-120A Type 230V Servo Amplifier
