

M07-2BA00

Industrial automation components

Manufacturer	Yaskawa
Catalog number	m07-2ba00
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

PS M07 - Power supply Input AC 120-240 V. Output 24V DC 1.5 A 36 W. Efficiency > 89 %
