

M32-1BD70

Industrial automation components

Manufacturer	Yaskawa
Catalog number	m32-1bd70
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.05 kgs
Voltage	0 - 10 V
Signal Type	24
Measurement Range	0 - 10
Product Type	Module
Signal Level	24 V

Description

SM M32 - Analog output 4x A0. 12 Bit. Voltage 0...10 V +-10 V
