

RF 1005-SG5

Industrial automation components

Manufacturer	Yaskawa
Catalog number	rf-1005-sg5
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.15 kgs
Voltage	AC
Current	5 A
Component Specifications	rf1005
Signal Level	230 V
Relay Specifications	5 A

Description

Noise Filter for Sigma-5 for SGD V-R70A - 2R8A Type 230V Servo Amplifier
