

SGD7S-120A30A008

Industrial automation components

Manufacturer	Yaskawa
Catalog number	sgd7s-120a30a008
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Sigma-7 Servo Amplifier 1.50kW 1ph 230V Mechatrolink III RJ45
