

SGD7S-1R9D30B026F64

Industrial automation components

Manufacturer	Yaskawa
Catalog number	sgd7s-1r9d30b026f64
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Sigma-7 Servo Amplifier 0.5kW 3ph 400V ML3 embedded, with holding brake relay
