

SGD7S-210D30B000F64

Industrial automation components

Manufacturer	Yaskawa
Catalog number	sgd7s-210d30b000f64
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Sigma-7 Servo Amplifier, 6.0kW 3ph, 400V, ML3 embedded
