

SGD7S-210DA0B026F64

Industrial automation components

Manufacturer	Yaskawa
Catalog number	sgd7s-210da0b026f64
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Sigma-7 Servo Amplifier 6.0kW 3ph 400V EtherCat embedded, with holding brake relay
