

SGD7S-5R5A30A

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Yaskawa |
| Catalog number | sgd7s-5r5a30a |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|-------------------------|-----------|
| Voltage | 7 - 200 V |
| Current | 30 A |
| Power | 0.75 |
| Horsepower | 0.75 |
| Cooling Capacity | 0.75 |
| Interface Type | rj45 |
| Signal Level | 200 V |

Description

Sigma-7 Servo Amplifier 0.75kW 1/3ph 230V Mechatrolink III RJ45
