

SGD7W-2R6DA0B026

Industrial automation components

Manufacturer	Yaskawa
Catalog number	sgd7w-2r6da0b026
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Sigma-7 Servo Dual Axis Amplifier 2x 0.75kW 3ph 400V EtherCat embedded, with holding brake relay
