

SGDV-120A21A008000

Industrial automation components

Manufacturer	Yaskawa
Catalog number	sgdv-120a21a008000
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

Sigma 5 Servo Amplifier 1.50kW 1ph 230V Mechatrolink III Rotary
